Outside of the times when an attack is report-
ed, sexual assault is a problem in communi-
cies and on university campuses across the country that often goes uncommented. It is a topic that is rarely addressed in open and frank discussions. However, due to the efforts that these as-
saults create, there are more that impact many.

Sexual assault is thought of in terms of forced sex or rape. However, Rod Curran, director of Campus Safety & Security, cautions that many.
